## Business Referral Agreement

Quality Systems Integrators  
P.O. Box 91  
Eagle, PA 19480

The QSI Business Referral Program is designed to offer participants an incentive for referring business opportunities to Quality Systems Integrators. As a participant, you will receive financial compensation for a referral when it results in a successful new sale of our TMSWeb product. The compensation is a minimum of \$5,000.00 and could be higher based on product and services purchased.

Please Note: This referral will not be considered a recommendation by the participant but a cost effective alternative for prospects to evaluate. The prospect is still expected to perform appropriate and thorough due diligence before selecting a Quality Management System.

If you would like a presentation of our product please contact our office to schedule a one-on-one WebEx demonstration. We will be happy to show you our product and answer any questions you may have.

Start referring today by filling out the information below. Please note all information is held in strict confidence and will not be shared with anyone. If you have additional questions about our Business Referral Program, contact QSI at 800-458-0539.
